7 December 1950

TO : CHIEF/TRD
FROM : EXECUTIVE OFFICER/OSO
SUBJECT: OSO Common Training Estimate

The following estimate of OSO needs for common training is submitted as a guide to facilitate your planning. The December estimate includes the backlog of OSO employees who could not be enrolled in classes starting prior to 1 December 1950. Delays in or increase in tempo of recruitment or security clearance will affect this estimate. It is believed that the estimate will prove to be a conservative one as the tempo of recruitment will probably increase and no consideration has been given to the training requirements of a 100 slot Senior Operations Officer Training Pool that it is proposed to establish in OSO in the immediate future.
